REINER. **There is more to it...**

A family enterprise, established by Ernst Reiner in 1913, has its headquarters in Furtwangen, in the Black Forest. Today the company is comprised of three operating divisions: numbering machines & electronic stamps, scanners and precision parts.

REINER is viewed as a market leader of metal stamps in Europe & the United States, and of OCR-printing and scanner systems in Germany.

A staff of two hundred forty knowledgeable and motivated men and women employ new technologies and modern production systems to yield high precision products.

Reiner partners with more than 60 national and international distributors and resellers. Additionally with the 3 subsidiary companies, REINER SCT, IP systems and Horray, REINER is represented in all important key markets in Europe.

Whether in industry, public administration or banks – REINER products are in use everywhere!
